

# MOBILE PSU

| Device power (kW) | Operating voltage | Peak power | Secondary DC-voltage | Output current nominal | Output current peak | Type number        |
|-------------------|-------------------|------------|----------------------|------------------------|---------------------|--------------------|
| 2.8               | 100 ... 848 VDC   | 2.8 kW     | 14 VDC               | 200 A                  | 200 A               | EMDAG3282000T00012 |
| 4.2               | 100 ... 848 VDC   | 4.2 kW     | 14 VDC               | 250 A                  | 300 A <sup>1</sup>  | EMDAG3422000T00012 |
| 5.6               | 100 ... 848 VDC   | 5.6 kW     | 28 VDC               | 200 A                  | 200 A               | EMDAG3562000C00012 |
| 8.4               | 100 ... 848 VDC   | 8.4 kW     | 28 VDC               | 250 A                  | 300 A <sup>1</sup>  | EMDAG3842000C00012 |
|                   |                   |            |                      |                        |                     |                    |
| 5.6               | 50 ... 450 VDC    | 5.6 kW     | 28 VDC               | 200 A                  | 200 A               | EMDAG3562000S00012 |
